20 March 2012

Dear Mr. Eperjesi,

According to your request please find hereafter the reference certificate.

Reference Certificate

To Whom it may concern.

It is hereby certified that we have been in a good partnership with Protecta Electronics Company for more than 20 years. The followings played main role in creating and maintaining this relationship:

- Delivering products of good quality;
- Deliveries on time;
- Flexibility in handling the orders.

Protecta Ltd has always kept abreast of the latest and highest international technology level in manufacturing and designing its protective and automatic devices. These devices fulfill our requirements and have been operating well since their installations.

The following product groups delivered by Protecta Ltd have proven the truthfulness of the above facts to MAVIR Zrt on its 220kV and 400kV networks:

- DTVA high voltage distance protection
- DTRV transformer protection
- OGYD busbar protection
